I admit it. I'm sex-obsessed and I'm always ready to get down and dirty wherever, whenever, and with whoever is around.

Today, I felt a big tingle down there, so I just had to make the pool table my newest love nest. Even though I have half the holes of a pool table, mine are more fun to fill!

Major Babes

Devil on my shoulder

I couldn't believe my eyes when I came across the issue with Katsuni on the cover. And when I opened up to the inside, there was Anissa Kate. These two have to be the sexiest, raunchiest major babes on the planet. And to see them naked, together, having girl-on-girl sex was one of the hottest uses of ink on paper that I have ever seen, and, believe me, I've seen a lot.

— Toomi, L.A.

I was refereeing a small college soccer game just outside of Carson, California one late autumn day. The game ended and most of the crowd had gone home. I was one of the last ones to go because I had to gather up equipment, change out of my uniform, and check the stats for the game. I headed out to the parking lot and see a few cars still there.

They were mostly parked over at a dimly lit corner of the lot. My car happened to be in that direction, too. As I walked over, I saw there were people in some of the cars and a small cargo van was rocking. I decide to go over to the van to see what was going on and as I passed a couple of the cars, they pull away, lights out and moving fast.

I slowed my pace as I approached the van and as I got closer, I saw a guy step out zipping up his fly. He nodded at me as he headed to his car. I got closer and heard grunts, and moans coming from the van. I went around to the back and noticed the door was open and I looked in to see a twenty-something girl getting fucked doggie style by one of the players. Suddenly a voice from my left said to allow me to let her suck your dick or leave. I looked over at him and then

back to the scene inside the van. Then the devil on my shoulder pulled me in and I undid my pants and stepped up and forward.

Without losing a stroke, the girl took my cock into her mouth and immediately started working it like a pro. She got me hard in a hurry and when the jock dumped his load, she spun around, got on her back and invitingly spread her legs. I placed my cock at her opening and buried it to my balls in one stroke. I felt her pussy muscles relax on my in stroke, making it easy to plunge deep. But when I pulled back she gripped it tight, giving a sensational fuck.

I shot spurt after spurt into her and pulled out. No sooner had I stepped away when another jock got in the van and in seconds he was in her and going at it hard and fast. I was thinking about taking another shot myself when a huge dude with ten inches of hard cock lifted her to all fours. His cock head looked to be the size of a peach, and his shaft had to be six inches around.

I stood there mesmerized watching as he put it in slowly, inch by inch, as she moaned, screeched, and grunted as inch by excruciating inch he buried his huge slab of meat into her. Then he started sliding in and out of her faster and faster until he finally came and she started trembling in a huge orgasm, just as he froze and shot his load. Then the guy slid his hard cock into the wide spread

lady again and started thrusting like there was no tomorrow.

He couldn't cum a second time and as his cock shriveled, he left the van and so she grabbed my pants, unzipped the fly and took my cock and swallowed it to my pelvic bone, her tongue whipping around and driving me crazy. She gripped my shaft and firmly stroked it while licking the underside, then licking my balls, sucking one into her mouth, then the other. She returned to my cock, taking the head and a couple inches in, sucking and slurping wildly as her hand pumped my shaft. I blasted a load into her mouth and throat and stumbled out of the van.

I decided I should go home before anything else happened.

— Mike, Torrance, CA

Island fever

I'm working my ass off for this company, rarely taking a coffee break and eating lunch at my desk so I can get more work done. I'm sure a lot of you guys have been there. There is so much work that I don't leave the office until ten at night sometimes. Even though Hawaii is a paradise it can also be a rat race. My office is across the street from the

Ala Moana Center just up from Waikiki. There have even been a couple nights this month that I've spent the night in the employee lounge because I was too tired to drive home.

Fortunately, this is going to be one of those nights. So, it's pushing ten-thirty and I decided to crash in the lounge. I get to the door and see that a few lights are on. Usually, they're not. I also notice that the door is open about six inches and before I go in, I peek through the opening and see two women inside the room. I recognize one of them, Lania, a beautiful twenty-something, native Hawaiian, from another department. The other has her back to me so I can't tell who that is.

Lania is sitting on the couch against the wall opposite the vending machines. The other lady is in one of the chairs facing her. They seem to just be talking when the other lady stands up and walks over to Lania. I hear her say that she needs to be licked. Shoes and all, she climbs onto the couch and drops her pants to her knees. She spreads her feet apart and pushes her pussy into Lania's face. I see Lania's hands come

Yes It Should!

You guys hit it out of the park with the pictorial of Katsuni and Anissa. This is what the look of adult magazines should be. This is what porn should be all about, beautiful women enjoying each other's bodies. With capable photographers, to light them perfectly and capture the action as we would want to see it: the perfect combination of close ups and far shots. But of course, the best thing of all is the women. Hot, sexy, liberal and horny. That's what we want to see in the photos and videos. So keep the great stuff cumming.

— Dai, Portland

around and grab the other lady's butt cheeks and pull her hips closer. I hear them slurping and moaning as Lania's fingers began exploring between the other lady's butt crack. Now the other lady climbs off the couch and turns. Oh my god, it's Jayne Stern, the CEO of the company. I'm floored. I knew she kept late hours, but for this. And why aren't they doing it in her plush office. Oh well, when you're hot, you're hot and little else matters. Then I hear Jayne say "Now it's your turn, baby."

Lania lays down on the couch, pulls up her skirt and pulls her panties off, throwing them on the floor. Jayne goes over to her and pulls one of Lania's legs off the couch so it touches the floor. Her

Immediately Lania moans and bucks. Jayne straightens up a little and pulls Lania by the hips lower into the couch. Then she climbs onto the couch, bare-assed and into a sixty-nine position over Lania. The ladies lick it up in some mouth-to-pussy action, and Jayne makes it look even hotter with her ass in the air. Their slurping sounds are making me incredibly horny and I have to rub my pants some more. It seems like Lania is ready to cum but it seems to take a little more work to get her off.

Jayne gives her a finger insertion and then a couple more, and that finally sends Lania over the top. A moment later Jayne is pushing her pussy down hard onto Lania's face and grinds herself to a climax.

I quietly back away, walk back to my office and sit down to take in what I just saw happen. I grab my briefcase and head to my car parked outside in the warm and sultry Hawaiian night air.

— Jeremy, Honolulu

Double Play

I thought the pictorial of Sharon Lee was outstanding, except for one big thing. It wasn't long enough. It was a big tease. She's such a stunner and getting stuffed by two dicks was quite a turn on. But I (as well as all my friends) wanted to see more. So if you guys are hiding more photos, show them. We deserve to see more of her!

— Kym, Tucson

pussy must be totally exposed, I think to myself, because Jayne is blocking my view. Then she kneels on the floor and lowers her face into Lania's pussy.

This summer, I went to an all-girls academy to study to be an international language translator. I'm taking courses in Mandarin, Filipino, Korean, Thai and Vietnamese. That's a pretty full schedule, but I can handle with a little extra tutoring from my professors. Mr. Cannon is one of my favorites. Today, it's a more private lesson.

It took me a while to get used to being a sexual person, but when I did, I found a whole new side to my personality. I became an extrovert! Not just in the bedroom but in real life. Now, it's me, a confident, sexual animal that seeks out cock and pussy. But today, it has come to me and I'm ready for it. So, I'm going inside and see what waits for me there.

I THINK IT TASTES LIKE SUSHI

Around ten that night I arrived at the party that was at a large house near the entrance gate to Chinatown. It was just getting started. Everyone was throwing back shots. I spotted Suki and Fiona over by a table with a few other females seated around it. As I walked over I could see Fiona subtly point in my direction to a few of the girls at the table, who were conspicuously staring at

girls girls every where

after practice a few times and have become kinda friends. As friendly as the university will allow.

I went over to the table and they had already ordered a few shots for me. I downed them one after the other. All the girls applauded and I bowed playfully, then Suki introduced me to two of their very sexy girlfriends, Kori and Kym, not tennis players,

me. As I reached the table, Suki and Fiona both kissed me on the cheeks and explained that I should've gotten there sooner because they were already a little bit drunk.

I'm their personal trainer at the university. Been working there for about five years (even though I'm independent), and while we have had some pretty good sessions, none

of these girls ever seems satisfied with their bodies. Still, I go there every day, as they do, and try to get these ladies to be their best. Some even compete in various collegiate activities. Suki and Fiona are my two favorites. They play doubles in tennis and almost won the conference title last year. They're both seniors and will be moving on to their individual careers. We've hung out

though. Kori was about five-foot eight, with long legs and a small but still very curvaceous butt. She wore a dark blouse that matched her short brown hair and accentuated her ample breasts. Kym, on the other hand, was an inch or two shorter and dressed casually in a vest (no shirt) and jeans.

After a few more drinks, Kori, Kym,

Suki and Fiona started to get pretty wild while I was still just a little tipsy. Before I knew it, Suki and Fiona were dragging me off to the dance floor for some overtly sexual grinding. I could see Kori and Kym talking to each other as I left, quietly giggling to themselves. We got onto the dance floor right as all the girls on the floor let out a scream of delight at the next song. I was surprised at how few guys there were at the party. Out of the twenty or so people at the party, there were maybe a half-dozen guys so the dance floor was crowded with girls dancing with each other. But now, I was a little confused about how to grind with both Suki and Fiona. So the girls quickly figured out that if they pushed my legs out, they could get both their asses on my crotch at the same time.

I started to rub my hands on their thighs and eventually their pussies, but with the girls I already knew they loved it and were definitely ready. As the song changed to a fast techno beat, I placed a hand on each of their pussies and started rubbing faster and faster. With that, the girls took both my hands and led me off the dance floor and up the stairs. We quickly entered into a room and they threw me down on the bed.

But, before I was about to pull them close they stepped back and appeared to be waiting for something. Suddenly, I heard two voices behind me and as I whipped around I saw that it was Kori and Kym emerging from the darkness. I looked toward the girls and they seemed to be half ashamed and half excited. I looked back at Kym and without hesitation, she mounted me and started to kiss me with her long, wet tongue. At first, her kiss was so mesmerizing and I didn't want it to stop, but I remembered Suki and Fiona were in the room so I looked at the girls and they looked back encouragingly and without looking back I pulled Kym

close and kissed her hard, pulling her sexy body close to mine. Kori then appeared at my side and kissed me hard, her wet tongue moving over mine. As I lay on the bed and both girls took off their tops and bras rather quickly. I quickly took off my shirt and the girls got right on top of me, their nipples rubbing against my chest.

They started to rub up and down my chest getting closer and closer to my cock. I quickly put Kori over my face and started to lick and tease her pussy while Kym moved down to my underwear. I didn't want to make it seem like I liked it too much because Suki and Fiona were watching. I looked farther down and noticed that two girls were masturbating while I fucked the other two. I felt a new energy flow through me and I went deep into Kori's pussy while sucking on her pussy lips. Kym's curiosity peaked after watching me eat out her friend and pulled my briefs off.

My cock burst out like a rocket off the pad. I felt Kori turn around to see and before I knew she had switched places with Kym. While Kym and I were sixty-nining, Kori decided to help suck my cock. I tried to concentrate on eating out Kym, but the girls sure knew how to suck a cock. I swear I could tell the difference between their mouths. Kori started to lick and play with my balls while Kym began to rub her saliva into my throbbing cock. Her lips were so wet and I could feel her hand grip the base of my cock. As she raised her head up and down moving faster and faster, I let out a long low moan.

I could see her dark hair as it bobbed up and down on my dick, she let out a gasp and then pushed my cock to Kori. I decided I should start doing my part and started to work on Kym's tight pussy so I poked my tongue along her outer

lips and then worked my way inside, feeling her pussy clamp around my tongue. I proceeded to work my

tongue in and out while rubbing her excited clit, her hips pushing harder and harder onto my tongue. As I wiggled my tongue inside her tight pussy, I felt her pussy clamp down and spray her juices all over my face, she paused from sucking my dick and let out a long and deep moan, her body shaking in orgasm.

Kym then started to vigorously pump up and down with her mouth, every few seconds she would turn her head and wrap her tongue around the tip while moving up and down which felt absolutely phenomenal. Before Kori got too far into it, Kym pulled her mouth off my cock and started to passionately kiss Kori which turned me on so much. After a minute of deep tongue kissing, Kori mounted me and as she went all the way to the base I could feel her cum again.

I could feel her grab my legs for support as Kym licked the cum off my cock and Kori's quivering pussy. I held Kori's arms behind her to go

even deeper and she moaned loudly as I started to push in and out of her.

Kori's pussy was so tight that it made me wonder if she ever had sex before. Every once and a while she would raise her hips up so that Kym could lick her pussy and suck all her juices off my cock, but before she entered I would rub my cock along her pussy lips, teasing her to the point of moaning. I pressed my cock once more into her tight pussy and positioned myself so that I could fuck her at a better pace. I thrust upwards to meet her hips as she went down. As she bounced, I felt her pussy grip my cock again and release her juices all over it. She let out a yell of ecstasy and her whole body shuddered as Kym licked the rest of the cum out of

her quivering pussy.

I laid Kym down on her back and without even telling her to do so, Kori straddled Kym's face and pushed her pussy onto her waiting tongue. I'm not sure what came over me but the smell of Kym's pussy and the look in Kori's eyes made me want to go insane, so I quickly grabbed Kym's hips and pulled them close to my cock.

At first, I didn't go all the way in but I teased her pussy by rubbing the tip of my cock between her pussy lips ever so slowly. I noticed her hips moving back and forth as if they were beckoning me and so I pushed my dick as far as I could into her and she stopped licking Kori's wet pussy long enough to moan one of the loudest moans I have ever heard.

This really turned me on so I started to push in and out of her pussy, still wet from my oral. I grabbed her hips and started to go in slow and steady movements and thrust-ed hard at the end which caused her to grip Kori even tighter and eat her out even faster. Meanwhile, Kori seemed to be enjoying herself as she moved her hips back and forth over Kym's nimble tongue, occasionally throwing her head back in pleasure. I leaned forward to kiss her and as our lips touched and tongues massaged each other's, I wanted to finish because I sensed this was going to be a big one.

I started to gather my last reserves of strength and use it to fuck Kym senseless. I pulled her closer and lifted her scrumptious ass closer to my cock for better leverage and fucked her as hard as I could. Suddenly, she stopped eating out Kori and just moaned louder and louder after each thrust before she was screaming and cumming over and over again. I was so proud of my forty year old self that I could

make two extremely hot girls cum their brains out at the same time. I could feel my cum ready to explode and pulled out, ready to explode. Both the girls got on their knees right in time as I shot what I thought must have been a hundred loads into their open mouths. After I had finished, Kym and Kori started to make out with each other, trading my cum back and forth and then finally swallowing it.

As we all started to put our clothes back on, Kym and Kori went over to Suki and Fiona and said that was a damn good fucking. Fiona and Suki hugged each other happily and then came over to me and they kissed me passionately on the lips. As Kori and Kym left the room, both Suki and Fiona thanked me immensely for helping them out, obviously unaware that it really was my pleasure. Both girls walked me out, but before we closed the bedroom door, outside all the other party girls were waiting, on the bannister and the dance floor, looking incredulously at the girls and me. As we wordlessly moved through the crowd, I noticed a few of the girls look at me with flirty eyes and coy smiles and I thought to myself what a fuck pool this could be.

As they opened the door, Fiona kissed me on the cheek and walked away and as I turned around to kiss Suki, she whispered in my ear that she knew I fucked Fiona on Halloween and she felt left out so now I'm going to have to make it up to her in the very near future. I said I would and kissed her passionately on the lips and grabbing her tight round ass. As I left, I heard a few girls call to me and when the door closed I almost let out a yell of joy. I drove home thinking how lucky I was to have these girls, and especially to be spending the rest of the college year with them.

Now, I'm stuck with a permanent grin and it feels great!

I like to lay around by the pool and sunbathe with as little on as possible. Sometimes this becomes a problem for the nosey neighbors. But today, their grown son is visiting for the weekend and I think he likes what he sees. So, I invited he over for a bit of fun in the sun, until we took it took it in the house.
